### Look what happens at WNL!

Spend time learning more about God, playing games with your friends, eating awesome snacks, and just having fun with kids like you!

#### Kids will:

Apply scripture to their lives.

Act out skits.

Show love through outreach projects to help others in need.

Have a blast at parties that encourage friendships, promote play, and honor God's teachings.

Laugh, joke, & giggle . . . a lot!

Make new friends.

Be cared for and mentored by leaders who love them.

Grow to understand God's love.

#### Parents:

Without question, the best gift you can give your child is **Jesus Christ!** If you want to do something good for your children . . . then **bring them to Wednesday Night Live!** They will get training here that many kids don't ever receive and it's something they can build their lives upon. Christ and his church – that's the best teaching you can give them.

What really “pays off” is not what we give our children on the **outside**, but what we give them on the **inside** – how we nurture them within. In addition to all the love, time, and attention you shower on them daily . . . to give them what they need **within** is to give them **Jesus!**

Also, let them see **you** committed to Christ and his church. Teach them to love and respect others by modeling and living out daily the spirit of Christ-like love toward every person you meet.
